

EXIT AWARDS POLICY: POSTGRADUATE

1. For those postgraduates who do not meet graduation requirements of the US and UK Masters awards (See [Progression and Credit Requirements Policy: Postgraduate](#)), Boards of Examiners may recommend the award of a single exit award or a permitted combination of US and UK exit awards possible at the postgraduate level.
2. Postgraduate Exit Awards at the University consist of:
 - a) The US Postgraduate Certificate
 - b) The UK Postgraduate Diploma
 - c) The UK Postgraduate Certificate
3. To avoid any confusion regarding nomenclature, the prefix “US” or “UK” must be attached to any postgraduate exit award.
4. Postgraduates qualifying for the US Postgraduate Certificate will also be eligible for the UK Postgraduate Diploma. The UK Postgraduate Certificate (which requires fewer credits than the US Postgraduate Certificate) may be awarded independently to eligible students.
5. If a postgraduate has been awarded an exit award but has not attempted the dissertation, they may apply for readmission to the University under normal readmission policies to complete the Masters degree.
6. Postgraduates who have received an exit award under the following circumstances are not normally permitted to apply for readmission to the University:
 - a) If they received a redeemable fail for the dissertation but opted not to re-submit.
 - b) If they received a redeemable fail for the dissertation, re-submitted, and failed a second time.See ‘Resubmission policy: Postgraduate’
7. Exit awards are conferrable in recognition of successful completion of postgraduate coursework; it is not possible, however, for students to register directly onto these awards.

 - e) they have received an F on the thesis (and so are not eligible to apply for resubmission); or
 - f) they have received a B- (redeemable fail) on the thesis, but have not applied for permission to resubmit within defined timeframes; or
